

## Love Groups Around The World

**Zoe Ministries—We support a working group of AIDS orphans as they help each other build homes, learn trades, and learn to grow their own food, helping them be safe and independent.**

**Imagine No Malaria—Our goal is to help put an end to malaria by making mosquito nets available to all people in malaria infested areas of the world.**

**Mission Trips—We send teams to help with foreign mission projects. We've been to Kenya, India, and Mexico. And, we will keep going to places where we can serve.**

**First Rowlett supports the global ministries of the United Methodist Church which includes missionaries, helping with clean water, emergency and long term disaster relief, working to end hunger, providing resources for good health, and much more!**
